"Serving the Finest Food"

The Cantalamessa Family would like to extend our warmest thanks to our patrons. We realize that our patrons work hard and deserve quality at a fair price. Here at Enzo's, our greatest joy is seeing our friends come in hungry, and leave well fed and happy. Our family prides itself in the fact that we cater to the needs of many different people. To us, individuality has always been important. This is why we strive to offer something for everyone. Not just a few, but all of our customers are important to us.

Being the best at something is never easy, but it's always rewarding. From our restaurant, lounge, and banquet hall, we give each detail our closest attention. By listening to the needs of our customers, we can learn how to fulfill those needs.

So, from our family to yours, we wish you Buona Salute and Buon Appetito!

Sincerely,

The Cantalamessa Family
